I understand that the Harmony XL NIR is an infrared device designed for Topical Heating and that clinical result may vary in different skin types. I understand there is a possibility of short-term effects such as reddening, blistering, scabbing, temporary bruising and temporary discoloration of the skin, as well as rare side effects such as scarring and permanent discoloration. These effects have been fully explained to me.

Clinical results may vary depending on individual factors, including medical history, skin type, patient compliance with pre/post treatment instructions, and individual response to treatment.

I understand that treatment by the Harmony XL NIR Topical Heating system involves a series of treatments. I understand that every individual is unique, and it is difficult to determine the specific number of treatments needed. I understand that I may require six treatments and the fee structure has been fully explained to me.\_\_\_\_\_(client's initials)

I certify that I have been fully informed of the nature and purpose of the procedure, expected outcomes and possible complications. I understand that no guarantee can be given as to the final result obtained. I am fully aware that my condition is of cosmetic concern and the decision to proceed is based solely on my expressed desire to do so.

I confirm that I am not pregnant at this time, and that I have not taken Accutane within the last 6 months. I also have completed a medical history checklist and been informed about what I must do and "not do" before, during and after the series of treatments.

I consent to the taking of photographs and authorize their anonymous use for the purposes of medical audit, education and promotion.

I certify that I have been given the opportunity to ask questions and that I have read and fully understand the contents of this consent form.
